Profile

Professional film director, editor, producer, videographer and photographer with over fifteen years of experience. He specializes in documentary portraits, short fiction films, and film and television editing. As a videographer, he also creates video content for social media and online platforms, collaborating with various companies and brands. Alongside his film work, he is professionally engaged in portrait, event and product photography. In his author-driven documentary work, he focuses on stories of people who love their craft and have mastered it.
